Q2. Tell us what you think

Following is a list of the current themes in the Community Strategic Plan as decided by the community in 2022.

- 1. A Vibrant, Safe, and Inclusive Community:** We have a thriving community where diversity is embraced, everyone is welcomed, valued, safe and we have opportunities to enhance our health, happiness, and wellbeing.
- 2. A Region for the Future:** We are a prosperous and resilient region providing opportunities for growth and learning to strengthen and grow our economy, support tourism, and adopt new technologies to ensure long term sustainability.
- 3. A Protected and Enhanced Environment:** We have attractive towns and villages that complement our unique natural environment, where heritage is preserved and enhanced Whilst balancing the needs for regional development and growth.
- 4. Collaborative and Progressive Leadership:** We have a transparent and accountable local Council with an actively engaged community and effective partnerships that foster trust, facilitates innovation and uses resources wisely to meet community needs.
- 5. Integrated and Accessible Region:** We have transport networks and services that are well connected and convenient and not only connect our villages and towns, but also connect us to other regions, capital cities and states, and our community has access to services and facilities that make the region 'liveable'.
